1980

Dedication

We, the graduating class of 1980, would like to dedicate our year to Lucia and James Owen. Throughout our years at Gould, they have both been supportive in our ever-expanding ideas.

Lucia Owen, as Head of the English department, has opened our minds to a more realistic view of life. Through this we will be able to grasp our new experiences.

James Owen, as head of the Art department, has furthered our talents and revealed a new way of expressing our growth through different medias.

We would like to express our sincere thanks to them for enabling us to successfully move on in life.

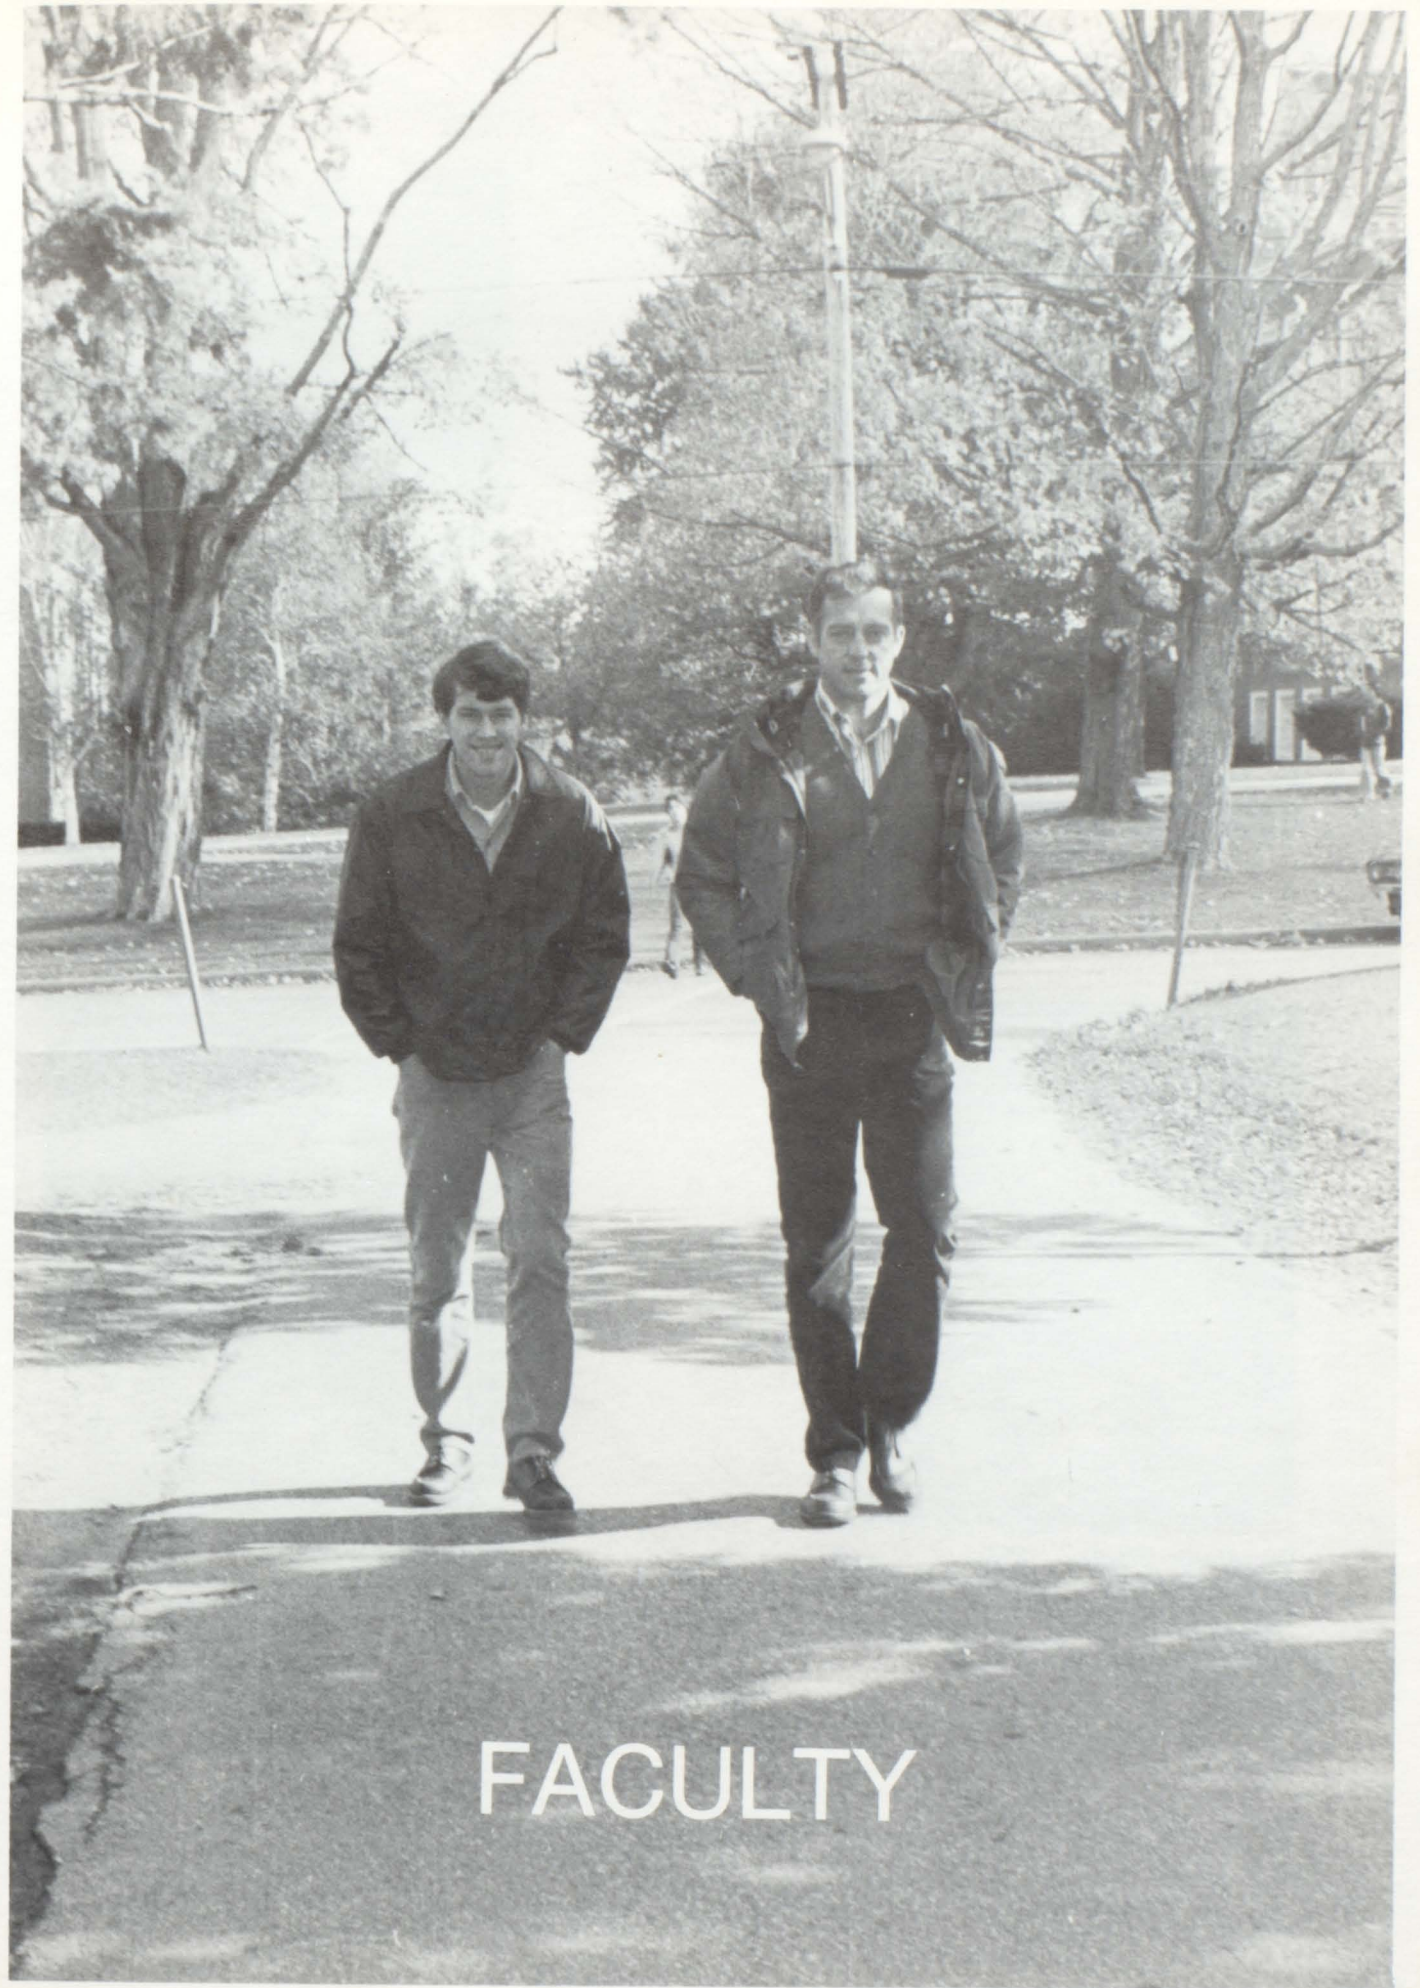

In Memoriam
Lee Norton Murphy

The Herald got off to a slow start this year mostly due to the fact that pictures were held up and the task of getting everybody together to work. We would like to commend everybody who worked on this issue, especially the editors, who put in probably more time than anybody else. Also special thanks go out to the student photographers for their help. Miss Boyce was not only helpful in the actual layout, but also in the spiritual sense. THANK YOU ALL!

Senior Charge to Underclassmen:

Never lose the freedom to be yourself. One must conform and adapt to many different situations. Just let this conformity remain physical and temporary. Determine and hold onto your deepest beliefs and your most treasured values. Be prepared to have your ideals challenged, but never lose them to anyone or anything, because then you will lose your individuality and yourself.
